Lynn Fast raised five children (four sons and one daughter), remained sane, and now has seven grandchildren as well as many "adopted" grandchildren, all of whom enjoy her parties and activities. Her book and her talk have anecdotes and stories as well as tips and surprising ideas to make life easier and a lot more fun. She'll give you smiles, giggles and outright belly laughs and make you so happy your children are yours! She has been told frequently about her children that "I am so glad they are yours....not mine!" She's living proof that you can survive Motherhood happily and laugh all the way through!

Wipes & Tissue Drive

With the winter and cold season, we are running low on wipes and tissues. It would be a **big** help if families could bring in one or two boxes of each. Thank you in advance!
