Pre-K & Kindergarten Conferences

Please see your teacher about the specific date and times for conferences for Pre-K and Kindergarten this month.

National School Choice and National Lutheran Schools Celebration

January 22-28 is National School Choice Week and it's also National Lutheran Schools Week. The goal of the Week is to shine a positive spotlight on all types of education options for children—from traditional public schools to public charter schools, magnet schools, private religious schools, online learning and homeschooling. It also gives us a public opportunity to proclaim and celebrate God's work among us in Lutheran schools.

We encourage all families to join us in Chapel at 9:30am on

Wednesday, January 24th. The children will do a small performance at the end of chapel.

Mom2Moms Bible Study

Moms2Moms Bible Study is held on Fridays January 6th and 20th at 9:15am. All Welcome!

December 14th at 7pm, and

December 21st at 7pm.

Moms2Mom Breakfast

Live Green in Plano's Erin Hoffer will present "Kids Dig Gardening". Getting your little ones outside, dirty and having fun is one of the best ways to connect them to nature and to make a lifetime of family memories. Even if you think that you have a black thumb, we will share with you the sure-fire, kid-friendly plants that ANYONE can grow. And we have tips for three easy-peasy projects that even a

grown-up can do. Wear your messin' in the dirt clothes (yup - the ones that the baby spit up on) and join us for an hour of good old-fashioned dirt-lovin' fun.

Please join us on Friday, January 13th at 9:15 AM for breakfast, conversation, and our guest Speaker. Babysitting available.

MLK Day - No School

Monday, January 16th - No School

Please continue to bring in your Box Tops for Education. We'd like to send in another set at the end of January. We sent in \$80 worth at the end of October - let's beat that!

ENGLISH AS A SECOND LANGUAGE

Reminder - Jane Foster hosts an ESL class every Monday from 9:15-10:15am. All are welcome!
